- In Baker Team format, teammates will bowl towards 1 score, with each bowler alternating shots (Bowler 1 will bowl frames (1,4,7,10) - Bowler 2 frames (2,5,8) - Bowler 3 frames (3,6,9))
- Lineup will be established before completion of practice. Each teams lineup will switch frames continuously throughout the tournament. Once lineup is established it cannot be switched.
- Teams will not move, and will bowl 15 games of qualifying on the same lane that was drawn at registration.

- Bonus pins will be awarded to all teams after each game dependent on final scratch score. (ie.. If there are 32 teams entered, the top score after each game will receive 32 bonus pins, on top of scratch score bowled, the lowest score after each game will receive 1 bonus pin, on top of scratch score bowled. The 15th placed total score after each game will receive 18 bonus pins on top of scratch score bowled, and so on..)

- Ties will result in tying teams receiving the highest tied position points. (IE... 2 teams tie for position 15, both teams will receive 18 bonus pins on top of scratch score bowled).

- A step ladder final will begin after 15 games of baker bowling, with seedings determined by total scratch score plus 15 games of earned bonus pins. Each stepladder match will consist of a 2 game total match. Teams will flipflop lanes after game 1 of stepladder match. Team with highest total will move on. Highest seed will choose starting lane. Each match will begin with 6 minutes of practice. We will reoil stepladder lanes prior to the first match.
